You took the bondage off ? Are you okay now ?

Why are you hiding the fact that you can use fire even from the villagers ?

Ssssh !!!

If anyone else finds out, this place will be done for !

?

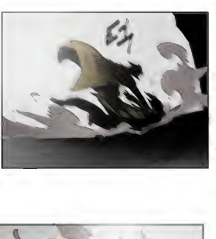
The only reason this place has kept its peace is because there was nothing of value here.

If outsiders find out that I can use fire and that I am here, this place will be swept clean.

I think you are the one who's loud enough to spread it.

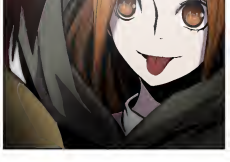
Say what ?

?!!



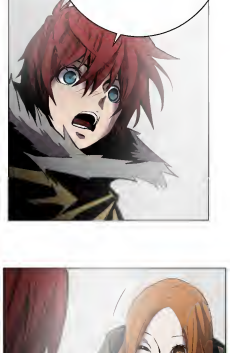
Who are you.
Who sent you ?

So, this is an experimental man. Very impressive indeed.



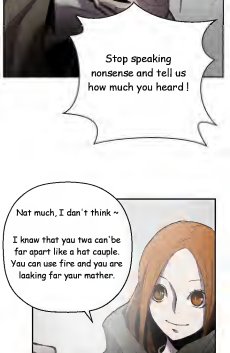
?!!

Y... You are a ... woman ?!



Don't panic.
I am just a big fan of Ms. Seongha over there.

Stop speaking nonsense and tell us how much you heard !



Not much, I don't think ~
I know that you two can be far apart like a hot couple. You can use fire and you are looking for your mother.

Blah, fuck ...
Whatever. I am not going to harm another woman. Up to you.

She knows too much.
I cannot let her go.

Well, you see ~
You might regret killing me.

Why ?

Because I think I know where your mom might be ~

What ??!!

See ?
Now you can't kill me.

Why ... should we even trust you ?

Cuz ... I said I am a big fan of Ms. Seongha ?

Besides you can decide to kill me later if it's found that I lied.
I am not going to be able to fight against an experimental man anyways.
